### SHATTERED DREAMS TO BE HELD MARCH 27-28

**FRISCO, TX** – The [Frisco Police Department](#), in conjunction with the [Frisco Fire Department](#) and [Frisco Independent School District](#), will be hosting its 11th annual [Shattered Dreams](#) program on March 27th and 28th. This year's program will be held at Lone Star High School starting Wednesday and running through Thursday.

As part of the Shattered Dreams experience for students and participants, a motor vehicle crash reenactment will take place that includes police and fire personnel, as well as CareFlite and other emergency responders. Due to the reenactment, North and South bound lanes of Teel Pkwy will be closed from Panther Creek Pkwy to Little River Drive. The closure will last from approximately 9:15 a.m. to 12:15 p.m. Motorists are urged to find an alternate route during these times.

Shattered Dreams is a two-day program designed to educate students about the dangers of underage drinking and the severe consequences that can result from impaired driving. The program is coordinated by the police department's [School Resource Officers](#) and is held at a different high school in Frisco each year.

For more information about Shattered Dreams, please visit the Frisco Police Department's web site at [Frisco Police Department](#) or email [SROSupervisor@FriscoTexas.gov](mailto:SROSupervisor@FriscoTexas.gov).
